

## Technology with Matt

### Privacy and safety in connected environments

At the start of Term 4, Year 1 students will explore what the internet really is and what it means to be online. We will examine the risks of being online and identify ways to protect ourselves and others. Students will continue developing their understanding of good digital citizenship, initially focusing on protecting personal data and identifying trusted networks. Later, we will explore how to safeguard personal information through the use of usernames, passwords, and avatars.

## Performing Arts with Anna

This term we will be concentrating on **dance** to create a piece for the **End of Year Concert**.

Students will show their performance skills on **Monday Week 9** to the Norwood Community.

### Students will be able to:

- experiment with ways to move safely in dance with others
- use the elements of dance to make movements for peers to follow
- use fundamental movement skills in their dance
- create dance movements incorporating a dance prop
- share dance sequences in an informal setting.
- consider alternatives and explore different or creative ways to approach a task or problem.

## Physical Education with Joe

The Health and Physical Education program delivers 1 lesson a week for each Year 1 class.

In term 4 the HPE program will continue to work on developing **fundamental movement skills (FMS)** and **object control** in particular with a major focus on **striking and fielding activities** whilst learning to positively interact with others while working in small groups.

Year 1 students will also be participating in our whole school **Redlegathon** 'fun run' which will be held on Norwood Oval on Friday of Week 1 (18<sup>th</sup> October). This is our school fundraiser event where students will be seeking sponsorship from parents, relatives and friends to walk / run as many laps around the oval in 1 hour. Parents are welcome to attend.

If you would like to contact me regarding your child's learning or have any questions, please contact me via email:

## Italiano with Maestra Selina

We will begin this term with a unit on **il corpo** (the body) and end the year with **Natale** (Christmas).

Students will:

- respond to stories, games and songs with actions and language.
- recognise and use modelled grammatical structures and context related vocabulary of the body and Christmas.
- recognise and reproduce the sounds and rhythms of Italian, and experiment with them in writing.
- participate in intercultural experiences related to the celebration of Christmas eg read shared story, sing songs, eat panettone and notice and share connections to their own experiences.
